Howard Murray, Esq., LL.D.,  
Dalhousie University,  
Halifax, N.S.

My dear Murray:

I think it quite probable that we may be able to get a man for you in Classics for next winter. There are several good fellows, any of whom I think would do excellent work, but I am making more definite inquiries from the Colleges and will write you later.

Excuse this brief note, but I am just leaving for Chicago. With kind regards, I am,

Yours sincerely,

President.
